The Ford F-150 Reliability Rating is 3.5 out of 5.0, which ranks it 7th out of 17 for fullsize trucks. The average annual repair cost is \$788 which means it has higher than average ownership costs. While repairs tend to be more severe than average, these issues occur less often, so major repairs are infrequent for the F-150.

2001 Ford F-150 Repair: Service and Maintenance Cost

Adding a four-door cab configuration to their popular half-ton pickup truck line-up in 2001, Ford created the F-150 SuperCrew. Featuring a truck body style previously reserved for Ford's heavier duty pickups, the four-door crew cab style F-150 SuperCrew provided a refreshing mix of light-duty capability and comfort for up to six occupants.
