the 'Castle: Medieval Days and Knights' pop up book while shopping this week. This is one of those children's book that adults can enjoy too. The engineering is amazing and the detailing is overwhelming. Imagine opening the first page and you are at the entrance to a three dimensional castle surrounded by a moat.

The majestic castle lies in the heart of the English countryside of Kent, surrounded by 500 acres of forests, lakes and gardens. On an island in the center of a lake and moat is the medieval castle with its impressive crenelated rooftops and two-foot-thick roughhewn stone walls with interiors as equally regal as its exteriors.
