Certified Chief Engineer Study Guide

Certified Chief Engineer (CCE) Training: Consists of an online study-guide, tutorial, practice exams and exams for limited service hotel properties and low-rise lodging facility engineers and No. 2 or promotion tracked engineers for resorts and full service properties. This course is a little less demanding than our CDOE, but both curriculums include information related to the planning and organizing of tasks, overviews of hotel building systems, and the building facade and grounds.
