The making of a socialist : the recollections of T.C ...

It all made sense to me. I learned that the main principle of socialism was: 'From each according to ability, to each according to need.' I was becoming a firm socialist. Socialism was no longer, literally or practically, a 'pipe dream'! Marx's words implied, to me at least, free access to all of life's needs.

John Rawls, Socialist?

Socialism can also include community (i.e., non-state) regulation of activities and companies; by some definitions, a church is a socialist enterprise, as is any company offering stock to its workers. There are three main reasons that socialism gets mixed up with its neighbors.

What % Socialist Are You? | HowStuffWorks

For the creation of the ideal society depended on the success of the educational system. The millennium could not be reached without creating the proper attitudes. And the Castro regime seemed convinced that under the direction of the party education could be used as an indispensable tool in developing the new socialist man.
