Eureka Lesson Plan Template | Teachers Pay Teachers

Lesson Information The teacher begins to plan each lesson by considering the students' characteristics as well as the learning context. This consideration entails a deep understanding of what he or she is to teach (content standards, standards-based curriculum, and guidelines), what students should be able to do, and what performance will look like when instruction has been completed.

Typically, you access lesson plans in the list of content, but your instructor can also add them to learning modules and folders. If your instructor added a description, it appears after the lesson plan's title. Select the lesson plan title to open it. The first section contains general information about the lesson.
