What Is Dating Anxiety? Dating anxiety is a subset of social anxiety or the fear you sometimes feel when you're thrown into unfamiliar or intimidating social situations. Social anxiety is described as the fear of rejection and being judged by others. It becomes a disorder when the fear becomes persistent and affects your ability to function

### Signs that You Have Dating Anxiety and Tips to Overcome It ...

Anxiety occurs when one concerns themselves with the past and future, rather than the present. There are two issues with this state of being: first, the past is in the past and you can ' t change what has already happened. Second, the future has not happened yet — so the anxious mind resorts to creating a multitude of hypotheticals that may not even end up happening.
