Internal democracy in political parties

A century on, British political parties — unlike their counterparts in many European countries — still rely on raising money to survive. And where donors on the other side of the Atlantic routinely spend millions on corporate lobbyists and bankrolling politicians, in Britain relatively small amounts of money can buy a lot of access.

Death by dark money: The Americanization of British democracy

Political parties are endemic to democracy. However, they are not part of the formal definition of democracy; nor do the constitutions of most democracies dictate a role for parties. Indeed, in most countries, parties operate in a realm little regulated by statutory law. In the United States, the founders were dead set against parties.

POLITICAL PARTIES AND DEMOCRACY | Annual Review of ...

As to political parties, Madison soon realized—despite his belief in the essential perniciousness of factions—that in a representative democracy political parties are not only legally possible, necessary, and inevitable, they are also desirable. They were legally possible because of the rights and liberties provided for in the constitution.
