The work of resume review starts well before the applicant resumes fill your inbox. Reviewing a resume starts with a job description or role profile so that you know broadly what the job entails. Part of the job description, in an effective job description, details the qualifications and experience of the candidate you seek to fill the job.

The Best Way to Review a Resume

No matter what industry you're in or what level you've reached in your career, there's always something on your resume that can be enhanced with a number. If you work in sales or finance, you have access to obvious metrics like sales volume, market share and profitability, but don't forget about people-oriented numbers like customers served, people managed, and performance rank (#1 sales person).

How To Use Numbers To Make Your Resume Seem More ...

Here's the Number One Resume Mistake You're Making. by Peter Jones. Written by Peter Jones. We spend so much time trying to craft the perfect resume in order to land our dream job. We're all painfully aware how important that one little document can be in determining our futures.

Here's the Number One Resume Mistake You're Making

1. Quickly separate wheat from chaff. Even if you've written an effective job description and detailed candidate profile, you'll likely have to review resumes from unqualified applicants. Create a checklist of the absolute minimum skills, experience and education required to do the job, and use this as a framework to efficiently sort the ...

How to Evaluate a Resume | Robert Half

The ATS will then review the resume to see if it has "cashier," "customer service" and "filling orders." Candidates that do not include these keyword

skills will be weeded out. Resume Check can help catch these mistakes. By adding the Eior job description, Alexis learns that she only has one out of the nine skills needed.
