Domination And **Pinterest**

A seasoned submissive will typically give up a very large amount of control in response to the initial control-taking by a dominant. Indeed the control-taking action will be mostly symbolic in their case, taking large swathes of emotional, sexual and physical control over the submissive all at the one time.

Domination And Submission Book English Edition

Webster

The expression is often associated with BDSM, when the woman voluntarily and consensually submits to such activity.

Submission usually involves a degree of trust by the woman in her partner. The dominant partner is usually a man, but can also be another woman, or there can be multiple dominant partners
