The People Could Fly American

The People Could Fly is a folk tale because it includes in it its four parts. The first part that it includes is that it must have supernatural powers. For example, in this folktale the supernatural powers are that people could fly and magic. "Kum...yali, kum buba tambe," and more magic words, said so quickly, they sounded like whispers and sighs. The young woman lifted one foot on the air.

The People Could Fly - African-American Literature ...

"The People Could Fly" is a textbook example of folklore. After all, it's a story about magical happenings in the past, it details a historical reality through a fantastical lens, and—most importantly—it was created through oral tradition. In fact, the version we're talking about is just one of many, and no two are identical.
