Abstract. I've previously offered an initial introduction to gender affirming voicework (Maevon Gumble, 2019b) as informed by personal experiences, my queer autoethnographic research (Maevon Gumble, 2019a), and literature from the fields of speech-language pathology, vocal pedagogy, and music therapy. Gender affirming voicework is a new holistic method aimed at assisting individuals with accessing and embodying affirming gender expressions, particularly vocal expressions.
